## New!! Violin lessons

### 2011 Winter 1 & 2 Session

**We are excited to be introducing Violin lessons at the Fox West YMCA. We will be teaching the Suzuki Method, if you are not familiar to it here is a brief description.**

**Suzuki Method: Origin** - The Suzuki method was developed by the late Shinichi Suzuki, a Japanese who was an accomplished violinist. He played for the Imperial Court of Japan and formed the Suzuki Quartet with his siblings. Dr. Shinichi Suzuki then went on to start a music school and in 1964, the Suzuki method was introduced to the United States.

**Suzuki Method** is taught with a combination of both individual and group work. The number of students that sign up determine if we will be able to explore the group work component of the method.
